Harmony Day
Whole School Easter
Egg Hunt

28th March
Last day of Term 1

From the Principal:

What a busy start to the year!! We have five Kindy students who have started their school journey with us and five students in Room 1 who are new to the school. That makes a total of ten new students!!

Our teachers in Room 1 for term 1 are Mrs Niki Crane three days per week, and Mrs Sue Wilson two days per week. Ms Amy Nelson is taking the Kindy students on Tuesdays and Thursdays this term. We are advertising for a full time teacher from Term 2 as we were unable to fill the position last year due to the late notification that Sara Sills had been appointed to Brabham Primary. We wish her all the best as she embarks on the next phase of her journey. Ms Cathy Harman is our EA two days a week, and Mrs Alicia Guy is kindly filling in the other three days a week. Welcome to you Alicia.

The shipping container has been delivered and our thanks go to the P & C for funding this. It has provided much needed space for storage of the ECE equipment. We are going to re-locate it to be closer to the teaching block for ease of access.

The Athletics carnival is being held on the 8th March at the Cascade oval. We will need parent help to set up the shade gazebos. I will be heading to Cascade very early in the day to set up the games and organise all the other tasks that need to be completed. We commenced our training for the carnival last week. Cascade PS will be joining us for practice for a couple of weeks then we will go by bus to the cascade oval for practice on Tuesday 5/3/24.

The Year 5/6 Mallee Schools camp planning is underway with approximately 40 students and four staff indicating they would like to participate. At this stage we will be travelling to Perth by coach on Sunday 9/6 and returning to school on Friday 14/6 by coach. The camp will be held at Swan Valley Adventure camp where students will participate in physical challenges, team building and water based activities. We are the organising school this year.

The Performing Arts being delivered at Hopetoun PS will commenced last Wednesday. Students travel by bus to Hopetoun where they participate in the performing arts classes as well as some lessons at their year level. This is a program that will run for the year and will culminate with a

School returns
Term 2
Tuesday 16th April

community performance at the end of the year. From the articles the students have written for the newsletter it is a popular activity.

We have had a lot of technical glitches in setting up the LOTE program which we hope to have resolved at last.

You will have noticed the re-surfacing of the netball court was completed over the holidays. The students are looking forward to getting out there once the weather cools off!

We will continue our collaboration with both the Esperance Region Schools Network and the Mallee Schools Network. I am also on the committee that is organising the Esperance Education Conference in Term 3.

The school nurse Pat is keen to finalise the Kindy screening so please promptly return the permission forms you will receive shortly.

The P & C is running a fundraiser selling bulbs. Order forms need to be returned to the school before 11/5/2024.

On behalf of the P & C I would like to acknowledge the generous donation of \$4 500 received from Arkle Farms from the sale of a charity bull. What a generous donation, thank you! The P & C will put it to good use – they support the school by purchasing equipment and subsidising school events. Your substantial donation is appreciated.

Attached please find the Term Planner as well as a uniform order form. We may add events to the term planner as events are confirmed.

Congratulations to the Bell family on their new arrival – another Mungy kid waiting in the wings!! (No details available at the time this went to print)

The student council elections were held on Thursday 15th February 2024. Students nominated themselves for Head Student (Year 6), and/or Student Councilor (Year 5/6) The speeches were well thought out and the students asked nominees interesting questions. Students and staff voted for one person to be Head Student (Year 6) and students they felt would make a good Student Councilor (Year 5/6)

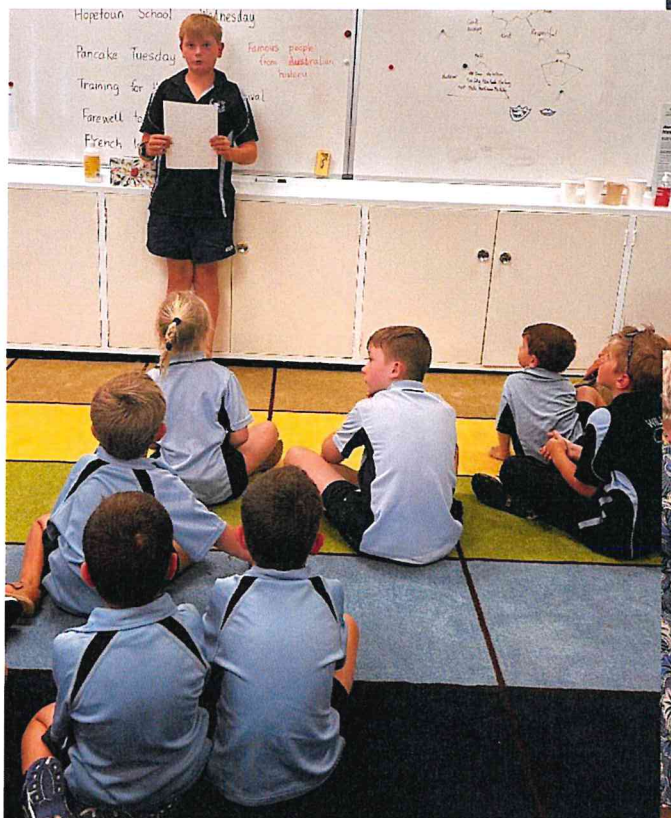

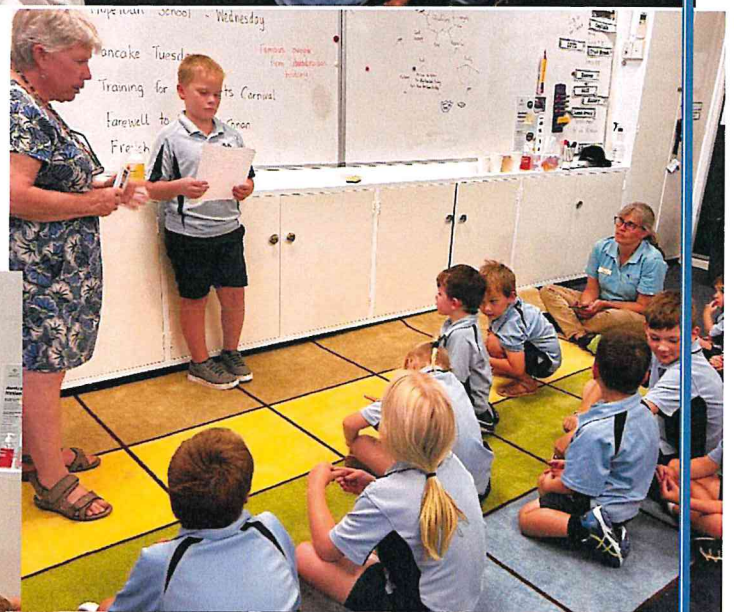

Congratulations to our Head Student
William Ware

Congratulations to our Student Councilors
Harry Lampp and Alex Lampp

These three students make up our Student Council for 2024. Badges will be presented at 9am on Tuesday 20/3/2024, all parents welcome for a brief ceremony.

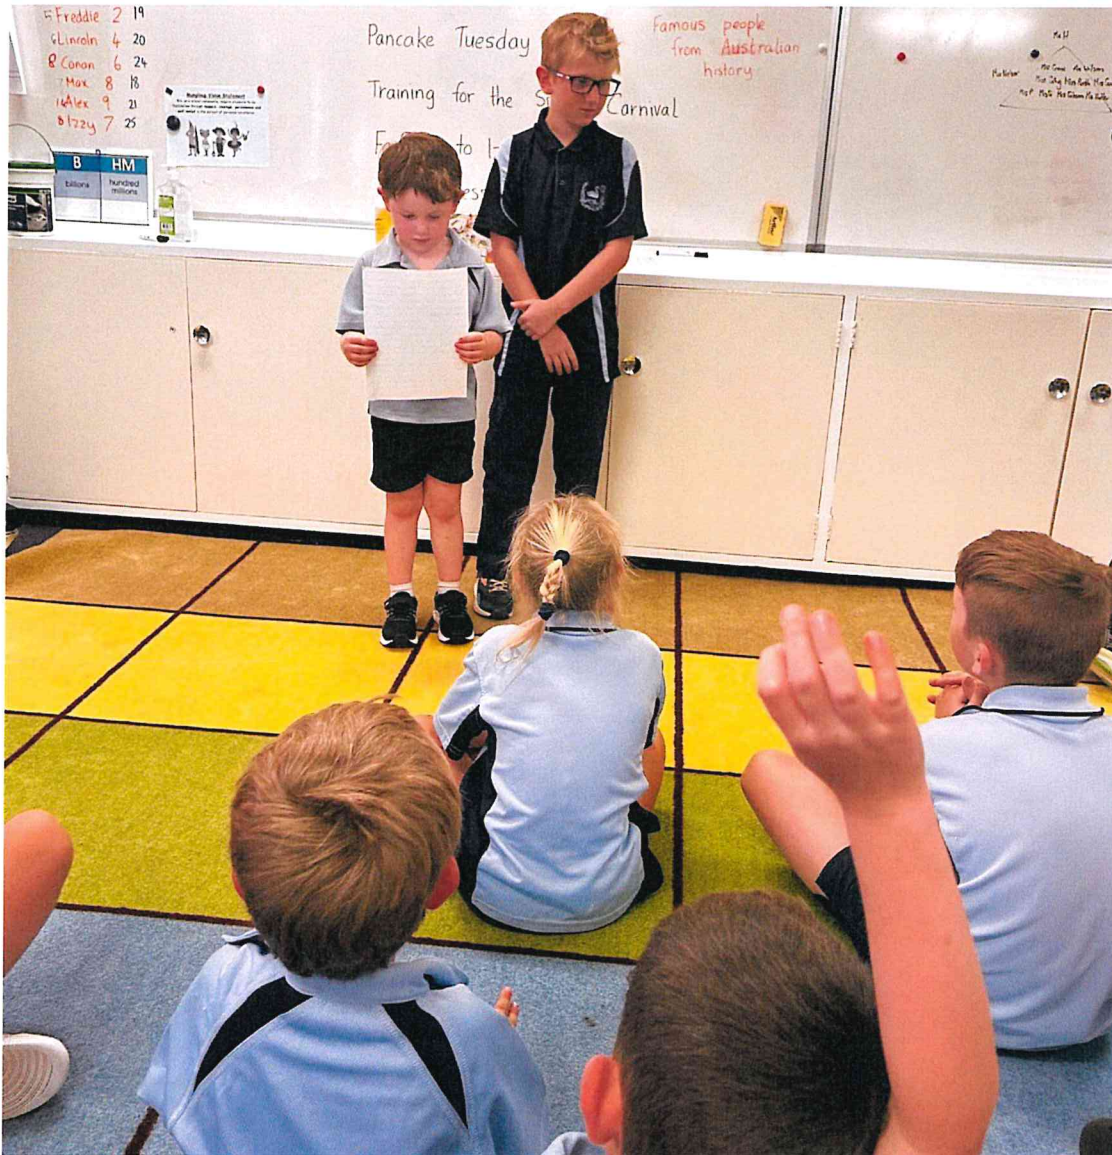

Wendy Hughes
A/Principal

The Election Speeches

The Lighter Side of Life

Darcy is in Kindy and wanted to get in on the election action. He stole Will's speech and entertained us with his 'reading'.

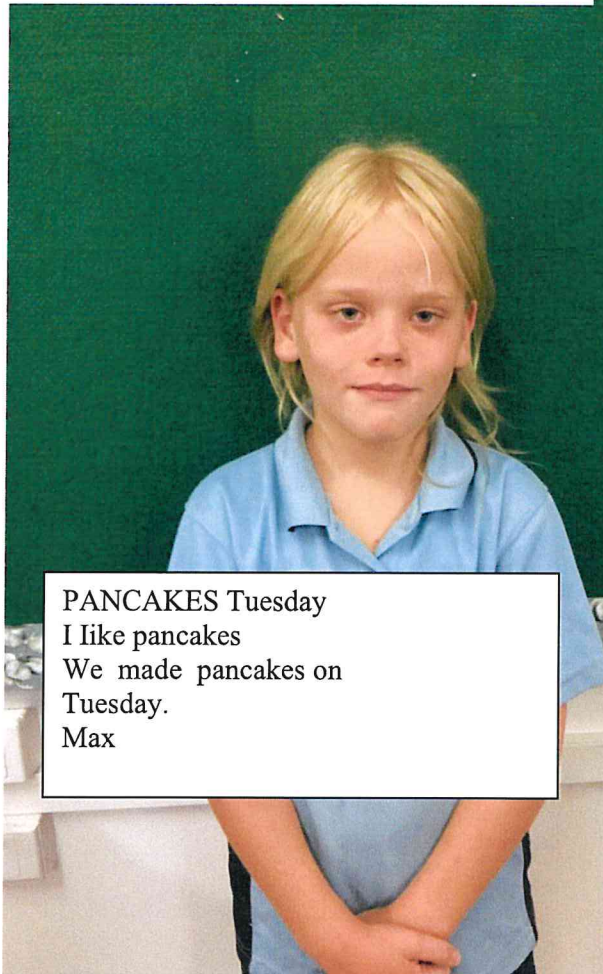

First Day of Kindy

It was so wonderful to see our Kindy kids walk through the Mungy doors for their very first day of Kindergarten at Munglinup Primary School. The day was full of fun activities including using our new red tricycles and some fun in the nature play. The children did their first painting and listened to a story about a possum going to school. I was very impressed how fast everyone is learning the classroom routines and learning to play together with respect. I hope your child had a great first day and is ready for a year full of fun and learning.

Room 1

PANCAKES Tuesday
I like pancakes
We made pancakes on
Tuesday.
Max

I really enjoyed Pancake Tuesday
because I ate pancakes.
Freddie

On Wednesday at Hopetoun
Primary School, I liked playing
Battleship with my friends in the
library. I won and I like reading
books.
Alex

I loved Pancake Tuesday. It was so fun. We made pancakes and we ate them.
Lincoln

At Hopetoun we did playing with friends
By Daisy

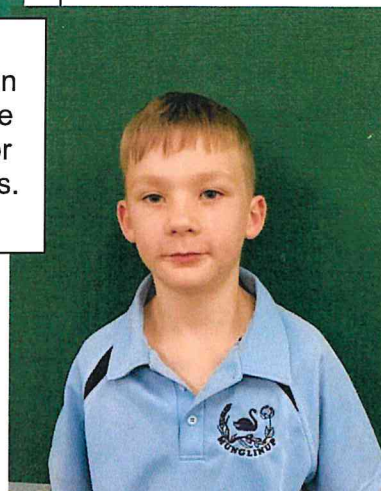

Hi my name is Izzy, I have loved Munglinup primary school a lot. As much it breaks my heart I have to go for my high school and for my step Dad work. I am very sad but I have to go and have had so much fun here. I have enjoyed it. I have to sadly go and I will miss the school and everyone at the school.

On Wednesday Munglingup and Jerdacuttup Primary Schools went to Hopetoun Primary. When we got there we split up into four groups, 1's, 2's 3/4's and 5/6's. First the 5/6's do sport, then we play a game. After, we go to the library to do some work, then its lunch. Finally we do performing arts and go home.
Will

We do a class raffle for Mungy values – respect. On Pancake Tuesday we made pancakes for school and for lunch. I had three pancakes.
Harry
